

Vaulted sauna floor | Padasjoki

Description

A rental cottage completed in the summer of 2021, with a stylish vaulted sauna in the yard. The vaulted sauna floor was first treated with ElaProof H. ElaProof+SAND Floor Covering was chosen as the last surface, which completes the style. Ease of cleaning is valued in the rental property, so the floor was protected with ELACOAT TopCoat. The visible surfaces of the entrance were treated with ElaProof+SAND Wall Covering.
