

Concrete floor in the break room 8 m² | Vaalimaa

Description

On the eastern border of Finland in Vaalimaa, the floor of Beweship's break rooms toilet was treated with ElaProof Indoor, on which ElaProof Art&Deco colored sand was applied. The beautiful sprinkler surface was finished with easy-to-clean ELACOAT TopCoat RAL, for which the customer chose RAL 7024 - Graphite Gray as the shade. Implemented in this way, the transport staff received a waterproof and easy-to-maintain and stylish toilet equipped with anti-slippery.
