Machine seam roof 600 m² | Sastamala

Description

In Sastamala, the machine seam roof was coated with ElaProof S twice according to the work instructions. The penetrations and seams were sealed with ElaProof H and ElaProof Base fabric.

Information

In Pirkanmaa, less than an hour’s drive from Tampere, there is a playground based on Mauri Kunnas’s children’s books for children. Throw seriousness into the corner and throw yourself into the world of play in the house, where Mr. Hakkarainen, the characters of Dog Mountain and even Heikki Hämähäkki can be found as part of imaginative games.
